

**Wednesday, May 29, 2019, at 6:30 p.m.  
The Bellevue Club, Bellevue, WA**

The Board of Directors and staff of City Ministries are hosting a recognition, celebration, and fundraising event. This inaugural event is a long-overdue opportunity for us to share with you what we do in the community for families and children and celebrate those who have made it all possible. We thought it no better a time than during the annual nationwide Foster Care Awareness Month to have this event.

#### Recognition

- We will recognize 5 families who contributed substantial funding to build the Rose Hill Cottages (affordable housing for families who want to do foster care).
- We will recognize our first families licensed as foster parents and share their stories.
- We will recognize individuals who have been a part of establishing and sustaining City Ministries.

#### Celebration

- We will celebrate the “wins” – stories of children and families impacted by City Ministries.
- We will celebrate the people who help us achieve our mission – our foster parents, our donors, and our partners in the community.
- We will celebrate the team that makes it all possible.

#### Fundraising

- **Green/Play Space at the Rose Hill Cottages** – We are converting two large retention ponds in the development from unusable space to space for children and parents to recreate for a better quality of life, especially during the spring and summer months.
- **Foster-to-Adopt/Adoption Program** – More and more families want to adopt from foster care and privately. Our team is prepared to meet this need in our community for affordable, case-managed adoptions.
- **City Kids School Scholarships** – These scholarships fund tuition for students in need at City Kids School, including foster care children, DSHS students, and students whose families are in a financial crisis and need tuition assistance.

Join us in a fun celebration, learn more about our story, and partner with us! Please feel free to contact us with any questions you may have about the event or City Ministries. The community is invited to attend. You may purchase individual tickets, sponsor foster parents to attend, host your own table, or donate.

Sincerely,

## Event Sponsorship

### **Sustaining Sponsor/Table Host - \$800**

We invite you to host a table and invite your friends and family who share your passion for children and seeing families restored. You may also sponsor an entire table of foster parents to attend – that would be greatly appreciated!

At Event:

- Dinner for 8
- Host listed in program and presentation PowerPoint
- Host listed on website (if you choose after event)

### **Dream Builders (Levels 1-3)**

We invite you to host a table as an individual or sponsor a table as a business and invite your friends, coworkers, and family who share your passion for children and seeing families restored. This sponsorship level will greatly impact our success in reaching our fundraising goal.

At Event:

#### Level 1 (\$2500)

- Dinner for 8 with table sign identifying host/sponsor and logo
- Host/sponsor listed in program
- Host/sponsor and logo listed on individual PowerPoint slide
- Host/sponsor and logo listed on citymin.org with link to sponsor's website (if you choose after event)

#### Level 2 (\$5000)

- Dinner for 8 with table sign identifying host/sponsor and logo
- Host/sponsor listed in program
- Host/sponsor and logo listed on individual PowerPoint slide
- Host/sponsor and logo listed on citymin.org with link to sponsor's website (if you choose after event)
